

Leeds Castle Adventure Golf, Maidstone, UK

Themed adventure golf course at “The Loveliest Castle in the World”

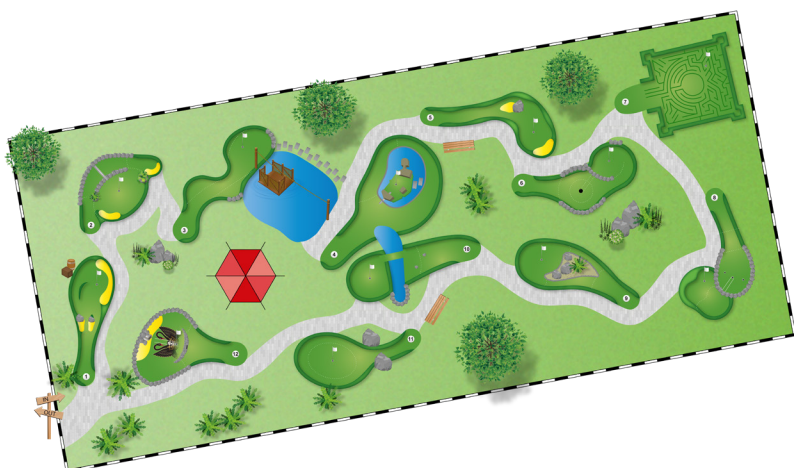

The 12-hole Adventure Golf course at Leeds Castle near Maidstone, England, was built by City Golf Europe in 2019. The opening coincided with the historic attraction’s 900th anniversary.

At the opening event, held during the two-week Easter holiday, the historic Castle, known to many as “The Loveliest Castle in the World”, welcomed over 45,000 visitors. Of these, 6,525 people chose to play adventure golf on the stunning new course.

The customer, Shane Guy – Head of Tourism at the Leeds Castle Foundation – was delighted that the course’s popularity had exceeded expectations: “Providing the sun shines all summer long the projected numbers will be around 70,000 players per year!”

The adventure golf course boasts beautifully contoured fairways and greens made of high-quality synthetic grass, dressed with fine sand. Each hole is designed to be played in different ways offering maximum fun and challenges for players of all ages and abilities – from absolute beginners to skilled mini golfers! The course is also fully accessible to guests in wheelchairs or with mobility disabilities.

Adding to the enjoyment on the course are exciting obstacles depicting various attractions from within the grounds of Leeds Castle. Among the highlights are miniature replicas of the Castle, Maze and Grotto, and the Black Swan Ferry, in the form of a raft across a pond, linking one hole to the next.
