## Easy to play and always challenging

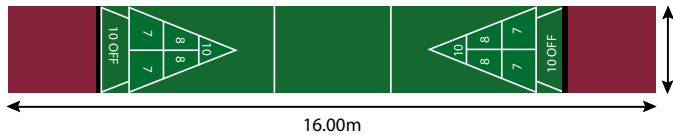

Shuffleboard is an addictive sport to suit all ages, abilities and budgets. Comes in two formats.

### SHUFFLEBOARD DELUXE - LARGE

Shuffleboard is a smart and durable attraction that fits all surfaces on, for example, sports facilities, hotels, recreation parks and also on cruise ships and ships. Best of all, once installed, virtually no maintenance is required.

It can be mounted in less than an hour or left in one and the same place for regular play.

It can be assembled in less than an hour. Mounting takes place on a hardened surface e.g. a slab or paving stone. Please note that the customer is responsible for unloading the goods. All our prices include VAT and shipping costs.

### SHUFFLEBOARD EURO

A little smaller than the Deluxe track, but has the same patented surface that makes the discs slide easily from start to finish. The tiles are attached to each other like a puzzle to provide a durable, maintenance-free playing surface.

With a little practice, the track can be assembled in about 15 to 20 minutes.
