City Budget

The ideal golf system if you want to open a completely new facility or upgrade your existing mini golf course.

City Budget is the perfect golf system if you're planning to open a new mini golf facility to supplement your existing business. City Budget is also an excellent way to upgrade an existing mini golf course

City Budget is our cheapest mini golf system, but the holes are of the same high quality as the other City systems. That's why we offer a 5-year guarantee on frames and a 2-year guarantee on the construction and other materials.

The course comes in easy-to-assemble prefabricated sections, making it easy to move indoors in winter.

Order your courses and get them delivered from our factory in Örnsköldsvik, Sweden, within 2-4 weeks or according to agreement. The customer is responsible for unloading the goods.

All prices quoted are exclusive of VAT. The payment terms are 30% at time of order and 70% on delivery.
