City Competition

This is our championship course for competition purposes. City Competition completes all demands of layout, obstacles and playing surface that gives the right playing feeling even for the most fastidious player.

This is a prefabricated competitive mini golf course. City Competition meets all possible requirements in terms of layout, obstacles and playing surface, to satisfy even the most discerning mini golf players.

City Competition can be supplemented with our Crazy Obstacles to create a distinctive look –a natural choice if you want a mini golf system for both competitive and recreational mini golf at all levels.

Simple and fast installation without heavy machinery makes City Competition perfect for environments where it is important to care for the land and surrounding nature.

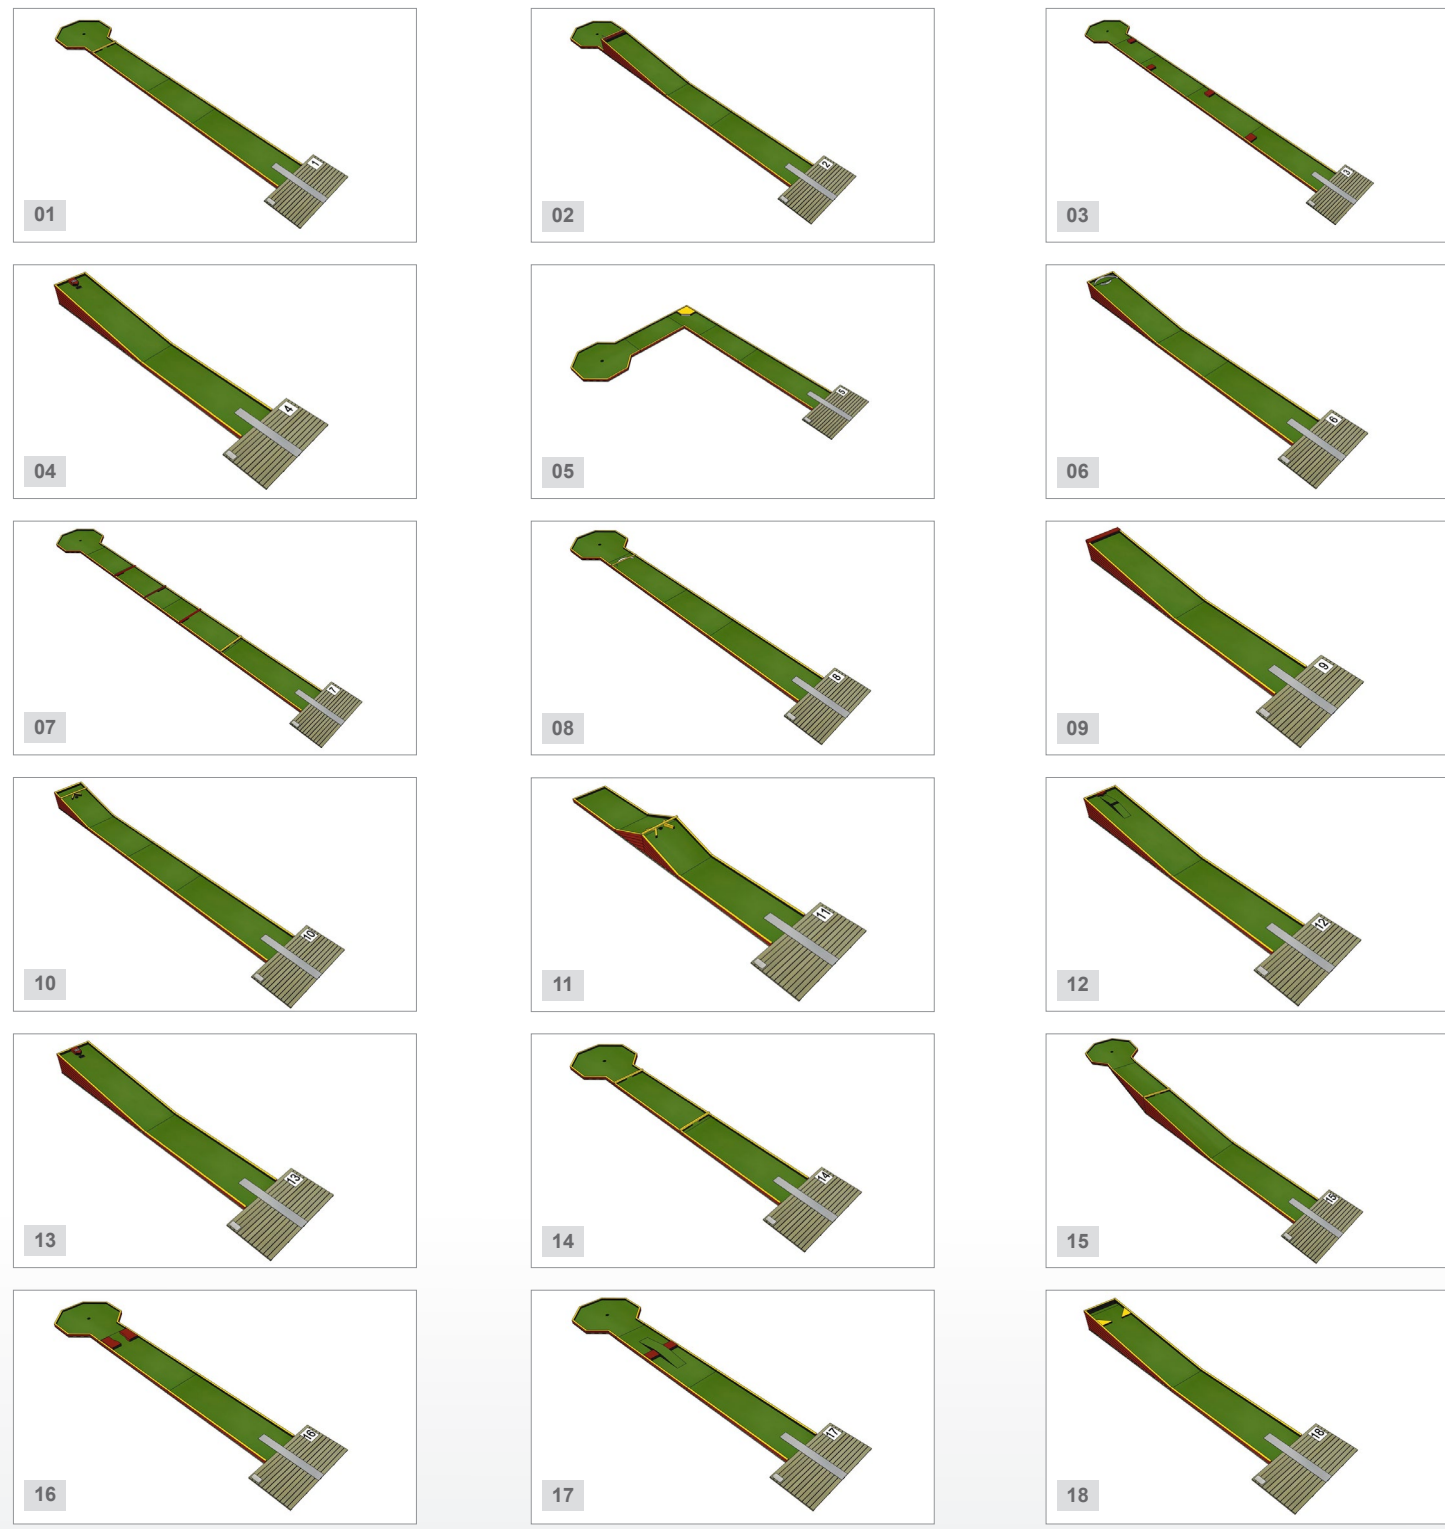

Order your courses and get them delivered from our factory in Örnköldsvik, Sweden, according to agreed delivery time. The customer is responsible for unloading the goods.
